Training, Implementation, and Consulting Services

The Aviation Consulting Group (TACG) provides aviation safety solutions to a wide-array of aviation organizations on a global basis. We work with Airlines, Airports, MROs, Civil Aviation Authorities, Accident Investigation Agencies, and other types of aviation organizations. Our services include high-level consulting, training, and program implementation.

TACG works on six continents (Antarctica is just too cold) and many of the beautiful islands that dot our world's oceans! So, if you are in Europe, Asia, Australia, Africa, Iceland, The Maldives, Central/South America, The Caribbean, or, perhaps Fiji, we are ready to welcome you to our long list of satisfied global clients!
